AFTER MARRIAGE
COMES DATING

MILF LIFE CRISIS

Your whole life, you just wanted to get married and have babies. It took a bit of time to get there, but you got there. But your perfect life has fallen apart. Now you have your beautiful children and a parenting schedule with the ex.

Did you really just land back on the dating market? Do you really need to go through first dates and bad judgement all over again? Do you have to get on Tinder and Plenty of Fish? Is this a tragedy or a wonderful new beginning? Are you really supposed to get back together with your high school boyfriend? Are you ever going to love again?

MILF Life Crisis reveals that there's so much life after an ending or a disappointment. You may no longer be twenty, but you've never been better, and truly, the best is yet to come.

"MILF Life Crisis" is definitely her sharpest, funniest and most moving show.

WHAT THEY'RE SAYING

So awesome - so raw, so brave and SO funny!!! - S. C.

"Scheffler simply sparkles!"
- The Toronto Star

"MILF Life Crisis left our audience wanting more of Anne-Marie. The show was funny, poignant and highly relatable. I was amazed at how our patrons related to her and walked out laughing and comparing themselves (and their friends) to the characters that she portrayed on stage. She was an absolute gem to work with and we look forward to bringing her back soon!"

- Trampas Brown, The Esplanade, Medicine Hat, AB

"Anne Marie Scheffler is a firecracker on stage!" - ***Vue Weekly***

I swear there were probably scalpers, so desperate were some to get last minute tickets. We had a very happy house of 20 through 70 year olds and the "old" folks were outrageously outnumbered but, just as enthusiastic.

We saw many, many people attending our series for the very first time. They came inside, they loved the show, they had a great time. It's an ice breaker. They now know we're not stuck up. We have a foot in the door.

"MILF Life Crisis has got some great gams. Book it and 'they' will come."
