### TECHNICAL REQUIREMENTS

#### STAGE:

Minimum suggested stage size: 16 feet wide x 12 feet deep

#### Masking:

Standard existing black masking

No special hangs required

#### Lighting:

General warm wash

Area lighting centre stage

#### Sound:

1 vocal mic on a boom stand

1 grand piano

1 monitor (for “Perk up, pianist”)

**NOTE on piano:** If the show being performed is “**Perk up, pianist**”, Sarah will perform on a digital keyboard when an acoustic piano is not available. Her preference is for the Yamaha P125 which can be rented from Long & McQuade. The digital keyboard must have a music stand (sometimes referred to as a rest) and a proper piano sustain pedal.

**Crew:** One (1) Light & Sound operator

## **HOSPITALITY**

Presenter shall provide Artist with one (1) hot catered meal not less than 1.5 hours prior to performance or one (1) meal buyout of \$30.

**ALLERGIES ALERT!** Sarah is allergic to shellfish, caraway, pickles, cucumbers and annatto extract- commonly used in cheese with orange dye.

## **DRESSING ROOM**

Please provide:

- clean towels and an iron
- fresh water and clean, reusable glasses
- kettle
- tea - orange pekoe or english breakfast
- small amount of milk for tea
- small amount sugar for tea
- mug for tea
- spoon
- box of tissues
- towel
- A framed photo of a young Tom Selleck (just checking if you're still reading ;)

## **ACCOMMODATIONS**

Presenter shall provide the Artist with one (1) hotel room (three-star or better) for each night of the engagement, within reasonable proximity of venue. Please request a room that is located away from elevators and ice machine. Whenever possible, preferably top floor at the very end of the hallway, facing away from traffic. Thank you!
